

HOW TO FIND ARTICLES IN NORTH AMERICAN NURSING JOURNALS USING THE LIBRARY PERIODICAL COLLECTION

The following is a list of all North American Nursing Journals that we have here in the library. They are all located on the first floor. Recent issues are kept in the current periodicals room, near the front staircase. Older issues are kept in the other periodicals rooms, either in a bound format, on microfilm, or on microfiche.

To find out where the older issues are located, go to the library homepage at <http://library.dyc.edu> and click on "catalog." From the catalog page, click on "browse."
