"It is more difficult to process information if it is coming at you in the written and spoken form at the same time."

Presentation Zen: Is it finally time to ditch PowerPoint?

www.presentationzen.com/presentationzen/2007/04/is_it_finally_t.html

"If your presentation visuals taken in the aggregate (e.g., your "PowerPoint deck") can be perfectly and completely understood without your narration, then it begs the question: why are you there?"

Seth Godin: Really Bad PowerPoint (PDF)

www.sethgodin.com/freeprize/reallybad-1.pdf

"If everyone in the room agreed with you, you wouldn't need a presentation, would you? You could a lot of time by printing out a one-page project report and delivering it to each person. No, the reason we do presentations is to make a point, to sell one or more ideas."
